Owingsville district, No. 6, subject
to the action of the Democratic

got a life sentence. One Juror
voted between life and the gallows
and the death party only has
their crime.

The Columbus案案 refused
to ratify the Panama Canal treaty
with the United States, so Uncle
Sam will have to take up the older
Panama route.

Jett seems to have a better man
physically than Corbett because
in the sixth round, Jeffries will
use his hands to give up to a younger
man. The old pugilist doesn't
regret very long.

Those who have a fondness for
water like a beverage may be
interested to know that there is a
course on in Ohio. Those who have
swallowed it think it does always
bad herbs and other impurities,
or what is equivalent to the same.

Chicago celebrated her one hun-
dredth anniversary as a white set-
tlement Saturday. Dearborn be-
ing the first to do so. It is
a unique centennial, but the
white signs there are more
formidable than the red ones ever
were.

Eleven of the jury wanted to hang
Jett, but Jasper King held out an-
till the balance had to compromise
and the jury sent in a verdict of
Jett and White for the murder of
Marvin. King's life has escaped
unpleasant to the people in Har-
-son county.

The Georgia Prison Commission
have made a report exonerating
Ward, the Alleged for robbing Miss
Mary Barnes, who alleges that
it was done in self defense. The
improper processes. The Georgia
legislature might learn the truth
of the case in a very short time.
It is as the old saying goes, "Time
almost justly lynch law towards
Alleged. Convicts have still the
right to be received human treat-
ment.
